Rear chamber | Front chamber

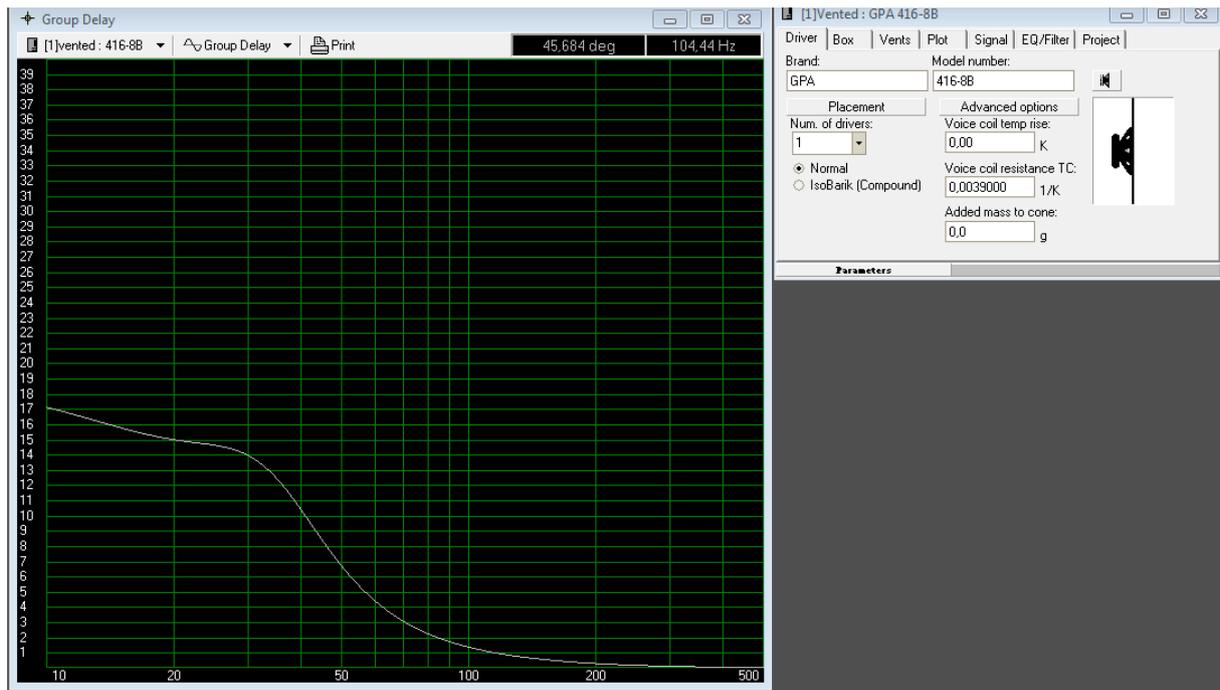

Number: 1 Shape:

Vent diameter: 10,20 x 6,80 cm

Vent length: 0,008 m End Correction: 0,732

Cross area: 69,4 cm² 1st port resonance: 21424,08 Hz

Parameters

Voilà le Hp 416-8B qui colle parfaitement à cette enceinte.

Nous observons une courbe d'amplitude parfaite, la rotation de phase vers 30 hz et une courbe de groupe delay presque parfaite.
